MEMORANDUM OF AGREEMENT  
BETWEEN THE DIRECTORATE OF SCIENCE AND TECHNOLOGY  
AND THE DIRECTORATE OF INTELLIGENCE  
FOR DI/OIA PARTICIPATION  
IN THE IDEX II PROGRAM

1.0 Purpose:

This document constitutes a formal agreement between the DI and DS&T on all issues relating to DI/OIA participation in the IDEX II softcopy exploitation program.

2.0 Scope:

This document establishes the respective organizational responsibilities between DI/OIA and DS&T/OD&E for configuration control, budgeting, requirements and overall program management connected with the IDEX II program.

3.0 Program Management:

DS&T/OD&E shall serve as the focal point within CIA for managing the development and procurement of the IDEX II system.

4.0 Budget:

DI/OIA agrees that DS&T/OD&E shall budget in the CIAP for DI/OIA IDEX II procurement and sustaining operations and maintenance. All costs associated with supporting IDEX II integration, such as facility modifications or external ADP support, shall be budgeted by DI/OIA. DS&T/OD&E agrees to provide reference copies to DI/OIA of all IDEX II budget submissions to insure compliance with DI/OIA requirements for program delivery schedule and quantity of IDEX II exploitation stations. DI/OIA shall support DS&T/OD&E in defense of the CIAP IDEX II budget as it pertains to DI/OIA's IDEX II requirements.

5.0 Technical/Functional Exchange Meetings:

Technical/Functional Exchange Meetings shall be called as required to address technical issues and achieve coordination on requirements, logistics, and interface control documents. Attendance at these meetings shall be limited to those Government and contractor personnel necessary for successful resolution of meeting issues. Meetings may be requested by DS&T/OD&E or DI/OIA personnel.

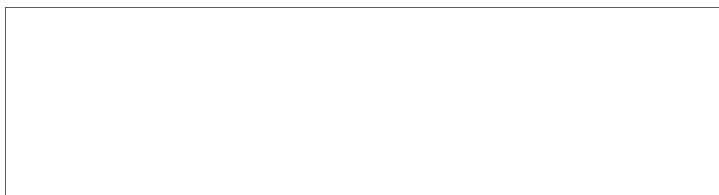

6.0 Requirements Documentation:

DS&T/OD&E agrees to publish an IDEX II Requirements Document that will establish the performance requirements for the OIA IDEX II facility. The document will describe in narrative format those requirements that DS&T/OD&E agrees to deliver to DI/OIA as part of the OIA IDEX II facility to be located at CIA Headquarters. The document will be jointly controlled by DS&T/OD&E, DS&T/NPIC and DI/OIA.

7.0 Supersession:

This agreement will be reviewed annually and may be revised or terminated by mutual concurrence of the signatories.
